To Whom It May Concern:

We are writing to express our satisfaction with the painting job Ryan Matos and his crew completed for us.

As the project manager, Ryan was very dependable, organized and thorough in bidding, starting, managing and completing the work we had done. He exhibited excellent communication skills and organizational skills throughout. We had complete understanding of the process, supplies, and schedule of work, as well as the fee structure. The crew he brought on site was very polite, showed up on time, and worked consistently as well.

We were particularly pleased that Ryan work so hard to schedule and finish our job between seasonal challenges and before a party deadline we were facing.

We would recommend Ryan Matos to any future customer.

Thank you!

Sincerely,

Paul and Leslie Tuzi
